

Long Drivers of Europe

The European Long Drive Championship

We would like to take this opportunity to invite you to be a host venue for a qualifying round of the most exciting golf ever seen; the European Long Drive Championship.

Host your own competition, with our guidance and assistance and be a part of the largest long drive event in the World.

We will provide support from Europe's largest long drive organisation. You run your event, it is possible to create revenue and publicity for your facility, or it could be part of any golfing day. We have all played in society events where a prize is awarded for the longest drive. Your top players could be guaranteed a place in the European Long Drive Final and from there it could be a trip to Las Vegas to the World Long Drive Championship where a total purse of US\$600,00 is up for grabs.

With classes for Seniors (45+) and Ladies as well as the popular Open Division this is truly a grass roots sport. Every golfer loves to hit that big drive and this is their chance to give it everything they have got.

It can be done. In 2006 Richard Allen competed in his first ever Long Drive Competition. He continued to become European Champion and travelled to the World Finals where he accomplished a creditable Round 6 (last 32) finishing amongst the best in the world, Similarly in 2005, rookie Adam Stacey finished in 3rd place and pocketed a cheque for \$32,000. 2008 saw Joe Miller progress to the quarter-finals of the World Finals. The talent is out there. You could discover the next World Long Drive Champion. Why not create that opportunity?

If you would like to be a part of this spectacular series please give us a call on the number below.
